SAMPLE FORMAT FOR UNDERGROUND COAL MINE PERMITS/AMENDMENTS

Public Notice

The (Company Name) of (Main Company Location) has applied for a revision of its coal mining permit/permit amendment from the Land Quality Division of the Environmental Quality Department for the State of Wyoming. The underground mining permit area is located in: (legal description of permit area - Section, Township, Range, County Name) County, Wyoming. (The area is) approximately (Locate the area relative to the closest town and a natural landmark, i.e.: a water source or a physical attribute of the area - ex: road, cliff, mountain, canyon, gorge, desert, etc.). This area can be found on the _____ USGS quadrangle map(s). The mining operation began (month and year) and is estimated to continue until (year). The land, after mining, will be returned to a (proposed use). Subsidence from underground mining is (is not) anticipated to occur (by year) (and state whether any specific structures may be affected by this subsidence). (Describe the measures proposed to prevent or control adverse surface effects). * Information regarding the proposed revision may be reviewed in the Office of the Land Quality Division, Department of Environmental Quality in Cheyenne and (Lander or Sheridan, Wyoming) or the (County Name) County Clerk's Office _____, Wyoming. Written objections to the revision must be received by the Administrator of the Land Quality Division, Department of Environmental Quality, 200 W. 17th Street, Suite 10, Cheyenne, WY 82002, before (Date 30 days after last publication). Only the revision is open for public review. The Director may hold an informal conference if requested, hear the complaint and take action on the application in accordance with the Department's Rules of Practice and Procedure. The complainants shall have a right of appeal to the Environmental Quality Council where the complaint will be heard a second time. A conference shall be held if the Director determines that the nature of the complaint or the position of the complainants indicates that an attempt to informally resolve the disputes is preferable to a contested case proceeding. An informal conference or a public hearing shall be held within twenty (20) days after the final date for filing objections unless a different period is stipulated to by the parties. The Council or Director shall publish notice of the time, date and location of the hearing or conference in a newspaper of general circulation in the locality of the proposed operation once a week for two (2) consecutive weeks immediately prior to the hearing or conference. The hearing would be conducted as a contested case in accordance with the Wyoming Administrative Procedure Act (W.S. §16-3-101 through §16-3-115), and the right of judicial review shall be afforded as provided in that act. All parties as given in W.S. §35-11-406(j) and Land Quality Division Coal Rules and Regulations, Chapter 7, Section 3, will be mailed a copy of this notice. The Wyoming Oil and Gas Conservation Commission will be mailed a copy of the application mine plan map as required in W.S. §35-11-406(j).

* If the amendment application also proposes a major permit revision, provide a general description of the revision within the public notice.
